First Day of School for 2006/2007.....	August 23, 2006

Happy Summer!

What an amazing year we have had at Eagle Crest!! Our students have shown great academic gains and our staff is extremely proud of our excellent students. We can celebrate the fact that our school raised \$18, 650.00 in our First Annual Eagle Crest Jog-A-Thon! Thanks to students and parents for collecting money for great programs and supplies for our school.

We have hired teachers for several positions for next year. Here are our newest community members:
Half time Kindergarten—DeAnn Dykes **ESL**—Sheila Freehill **Gifted and Talented**—Stephanie Potter

For those students and families that will not be returning to Eagle Crest we wish you the best of luck in your continuing education. It has been a privilege to be a part of your education and we hope that you have many successes in the future. Please let us know as soon as possible if you will not be returning.

The office will close June 8th and will re-open on August 1st. Back to School Night will be August 21, 2006. We encourage any newcomers to your neighborhoods to register early in August, please pass on the word.

Everyone on the Eagle Crest Staff wishes you a relaxing, restful, and fun summer! We hope that everyone comes back in August ready to learn!

Enjoy your summer,
Ryan Ball and Kirsten McNeill

New District Website

The District has updated its website. The address remains the same: <http://www.stvrain.k12.co.us/>
This link will take you to the new and improved site. To link to Eagle Crest—use the pull down menu under Schools/Elementary and click Eagle Crest. That will link you to an informational page on Eagle Crest. In the upper right quadrant there is a link to Eagle Crest's website, the new address is <http://eces.stvrain.k12.co.us/> Our website will be updated over the summer by our Media Tech.

Principal Dunking at Eagle Crest!!!!!!

Mr. Ball promised that if Eagle Crest students raised \$8,000 in the Jog-A-Thon he would get in the dunk tank. Our students far exceeded this goal (by about \$10,000). He will make good on his promise on Tuesday, May 30th. This is your chance to help get Mr. Ball all wet! Teachers will sign their class up for a time in the morning or afternoon to take a pitch (11 a.m.—3 p.m). Kindergarteners who are not scheduled to be in school on Tuesday, you are welcome to join any class between 11 and 3.

EduKits

For those of you that ordered an EduKit—your child's supply box will be waiting for you on Back to School Night.

From the Health Office

Please make sure to pick up your child's meds on the last day of school. Board policy prohibits us from sending medication home with students. For those students who will be returning to Eagle Crest next year and will be taking medication at school, please stop by and get a Permission for Medication form to have your doctor fill out over the summer. We MUST have the form on file before the first day of school for next year.

Reminder to incoming Kindergarten students—you MUST have all immunizations up to date and on file before the first day of school.

Community School

Thanks to all who made this a great year for Eagle Crest Community School. Participation and enthusiasm is increasing with additional class offerings. With monies accumulated over the past several years, Community School was able to purchase a permanent pavilion structure that is located just west of the playground. In addition, tables have been purchased and will be installed over the summer. I want to acknowledge that the success of E.C.C.S. is due to a team effort.

Mitzi Heiser

Don't forget to recycle your used inkjet and laser printer cartridges and cell phones at Eagle Crest. Student Council will use the proceeds to continue with service projects.

Also, keep collecting Box Tops for Education for the PTO. There is a collection box in the front of the office. If you wish to collect Campbell's Labels for Education, we send those labels on to Columbine Elementary.

We also participate in Target's Take Charge of Education program. Simply designate Eagle Crest as the recipient of your donation when you shop at Target.

Office Depot will donate a percentage purchases to Eagle Crest also. Our School ID# is 70018247.

The monies we receive from the Target and Office Depot programs is deposited into the General Student Activity account and is used for grade level projects, popsicle and pizza parties, supplies for school wide projects.

Remember that Eagle Crest PTO also gets credit for purchases at Innisbrook throughout the year. You can shop their website using our School ID # 111431.

From the Library

Remember to turn in all of your library books! Books that are lost must be replaced with library bound materials, so the cost will be considerably higher than in a book store. We have ordered many new books for next year. Next year you will have the opportunity to check out these exciting new titles.

Mrs. Keener
